Thank you for the Handshake!

We can't move till September.  
But yes, it would be fun to  
reconnect; and our families  
too! our little girl is only  
4 (soon) but she gets along  
very well with "older kids"!

So I'm glad I have your phone  
number; I'm sure I'll be  
seeing a lot of your wife's father  
in any case.
